The above-referenced application was filed on July 23, 2003, using the Express Mail Service. A copy of the Express Mail receipt (ER 064087150) is enclosed.

Applicants then received a "Notice to File Missing Parts" dated December 2, 2003. Applicants responded in a prompt manner to the "Notice to File Missing Parts" by submitting a "Declaration and Power of Attorney". However, the attorney of record forgot to provide copies of the drawings that had unintentionally not been included with the filing of the application.

Applicants then received a second "Notice to File Missing Parts" requiring the provision of the drawings. Applicants responded in a prompt manner and submitted the missing drawings. At the same time, Applicants submitted a second Declaration to support the drawings. Submission of the drawings do not add new matter to the application.

Therefore, Applicants kindly request that the date of 7/23/03 be reinstated as the filing date of the above-referenced application.
